Dear Club Representative

We are moving on apace with the implementation of Pay to Play and to help our clubs we have brought the announcement of our recommended Pay to Play fee and our mailing to clubs forward. Please read the attached update for details.

I would like to remind you that we have a great deal of information to help you make informed decisions about your club's future. There are several documents available as follows:

You and the EBU – April 2008

Strategy for the future of the EBU and Duplicate Bridge in England – April 2008

Questions and Answers for Clubs on Universal Membership through Pay to Play - September 2008

Data Protection and Universal Membership Club Update – September 2008

Bidding for the Future – EBU Five Year Strategy Plan October 2008

You can access these on our website <http://www.ebu.co.uk/pay2play/default.htm> or, if you require paper versions of these documents, please contact Krys as above and he will ensure that you receive them.

Don't forget that your regional Clubs Committee representatives are very willing to help you with all aspects of your club's activities. You can find your representative by clicking on <http://www.ebu.co.uk/club/regions.htm> or you can contact Krys at cc@ebu.co.uk or at the EBU as indicated above, giving the name, address and county of affiliation of your club.

And finally, we do hope we have the correct contact details for the member responsible for communication in your club. If these need to be updated, please inform us by emailing karend@ebu.co.uk or contacting her at Aylesbury.

Yours faithfully

Sally Bugden
Chairman
